1st October – St Theresa's feast day. Normally we would be celebrating our patron saint this weekend with roses around her statue and around the Church and refreshments in the hall but this is not possible due to Covid restrictions. However thanks to Ruth for providing roses for the altar and to Cath who is giving out roses for parishioners to take home after Mass.

The discovery of the autobiography of St Theresa of the Child Jesus was, for many, an encouraging way to think about the discipleship in their own life. It meant clinging to God and trusting Him and offering love in the little things of life, done well and with attention to the opportunities of charity towards others. Her realisation that love was at the heart of the work of the whole Church meant that she was declared patroness outreach of the Church.
