Thank you.

Thank you, Thank you, Thank you to all those who helped make St Theresa's so festive as we celebrated the birth of Jesus - the crib, the tree, the window sills. Thank you also to Fr. Nealon who celebrated Masses with us over the Christmas weekend. As we all know we had a white Christmas! Even though it was Boxing Day Peter Middlemiss cleared paths and salted not only into Church but the driveway and path to the hall. Thank you Peter.

So we come to another New Year with hopes that normality will resume in our daily lives and able to arrange holidays and family meetings without restrictions. People need an epiphany of God, that all reality is his empire. We need a light for company in our pilgrimage, the epiphany is light, a release. It declares there are no God forsaken areas. The Christ-child incarnates the end of the God- man rivalry and fear moves into faith. *Fr. Bob*

The Pope's Prayer Intention for January – for true human fraternity. We pray for all those suffering from religious discrimination and persecution; may their own rights and dignity be recognized, which originate from being brothers and sisters in the human family.
