Responsorial Psalm:

My God, my God, why have you forsaken me?

Gospel Acclamation:

Praise to you, O Christ, king of eternal glory.

Christ was humbler yet, even to accepting death, death on a cross. But God raised him high and gave him the name which is above all names.

Praise to you, O Christ, king of eternal glory

YOUR PARISH NEEDS YOU

King Charles 111 has suggested that on the weekend of his Coronation we dedicate a day to helping in the community – the “Big Help Out”. Therefore it has been proposed that we have a “Working Day” here at St Theresa’s on Monday May 8th at 10am. (This is an extra National Bank Holiday).

A list of jobs will be drawn up in the next few weeks and you will be asked to look at it and volunteer for one or more tasks depending on what you can do and how you feel. Past “Working Days” have always been a very sociable occasion.

You will be very welcome to come along and help keep things clean and tidy and maintain the fabric of the parish.

Thank you very much. KC

The Smartie charity for the coming year will be ‘The Yorkshire Brain Tumour Charity’. It supports those who have brain tumours and their families as well as being a major funder of neurological research. Brain tumours can affect any age. Thank you for your support.

AFTERNOON TEA

An opportunity to meet up with friends and enjoy a traditional Afternoon Tea here at St Theresa’s on Sunday April 23rd 2023 from 2.00-4.00pm. Tickets will be on sale after Saturday evening Mass from March 25th 2023.

You can save £80 per person by buying a ticket here at St Theresa’s for £5 instead of at Claridges in London where they are charging £85 a head as from April 2023.

I shall be selling cakes & biscuits after Mass during April to support Grace and Alison. It is another way that you can donate. Good luck Grace and Alison.

Swim 22 2023

This gorgeous young lady is Grace Mundy, Kath Mundy’s granddaughter and she is swimming 22 miles in aid of Diabetics UK. Mum, Alison, is also swimming.

This is Grace’s story:

“I was officially diagnosed with diabetes when I was 2 years old and since then it hasn’t got any easier. Unfortunately it is something I will never not have, but to make it better for everyone with diabetes I thought I could raise a little bit more awareness. In the 13 years I have dealt with this, technology has changed so much and hopefully in the next 13 years diabetes will be almost unnoticeable. I also feel as though this is a way to thank the nurses and teachers that have put up with me and supported me and give them more recognition for everything they do. Thank you so much for your donations. X
