The war in Ukraine continues with horrifying consequences. Our Lady of Fatima asked that we pray the rosary for peace in the world.

We need to pray the rosary not just for Ukraine but for all those suffering through war.

The Unseen and Secret Army of St Theresa's Church, Queensbury: In our parish there is an unseen and largely unknown army of people who work very quietly and often unnoticed behind the scenes to ensure that the parish runs smoothly and as it should. No one is looking to be noticed, attract attention or seek praise and thanks. But from time to time it is a good thing to openly thank them for all that they do. There is a great danger when you start to thank people for all their hard work that someone will be overlooked. So, not naming any individuals but recently the garage has been tidied out and lots of items recycled or been taken away, doors have been repaired, fridge has been defrosted, repairs to the building organized, flowers watered and rubbish taken to the tip. Just a few examples of jobs carried out by the secret army of parishioners at St Theresa's. A very big thank you to all concerned not for those jobs done recently but to all those who work hard all year round to make our parish what it is.
